

CUSTOM GLOVE AND PACKAGE GRAPHICS REQUEST FORM

All files need to be high resolution graphics images. The image should be one of the following formats:

pdf
png
tif
eps
jpeg

We prefer files other than jpeg because the image format is normally very pixelated and hard to work with when going to print. Please email all information requested below.

Please specify image requested for Glove tab and Pantone colors in image if available:

Please specify images requested for Custom Packaging and Pantone colors if available:
